GREETING CARDS & MAILING COSTS

All greeting cards are blank inside, and come with a mailing envelope and protective plastic sleeve. Each one features a matte finish 4" x 6" photograph on the front of the card, is individually signed, and is suitable for matting and framing.

They cost \$5.00 per card, plus a shipping & handling cost dependent on the number of cards purchased.

For up to 13 cards, add \$6 for shipping.
 For 14-30 cards, add \$8 for shipping.
 For 31-200 cards, add \$12 for shipping.

Example:

Let's say you're buying two sets and five cards. Each set counts as four cards when calculating shipping, so the cost for mailing two sets of four cards plus five single cards, or 13 cards total, would be \$6 for shipping.
